2. The board worked very hard on this year 春晖计划。We thank many of you for supporting and application. I would like to thank our independent review committee's serious evaluation and Prof. 郦永刚 coordination with related office of Anhui province. This has resulted in selection of 7 candidate members (Xiwu Cao, Gary Fan, Ke-Qin Hu, Nansong Huang, Yonggang Li, Ming Yang, Hua Zhang) to represent CSA to visit three Universities in Anhui province. We have

received a notice that the sponsor has approved our plan have our above delegates to visit universities in Anhui in late Sep. We would also like to thank those who applied, but were not elected for this year. As committed, we hope more CSA members' participation in future 春晖计划.

3. One of the important CSA commitment is its publication "Academic Perspective 学术展望杂志" that is published annually. Led by Prof. 黄胜和 and Prof. 李博, we have sent out the announcement and invitation. We encourage and appreciate our members' submission and support. The deadline of the MS submission will be August 25, 2018.
